JUN 19 1957

Mr. Paul F. Royster, Acting Assistant
Commissioner for Operations
Bureau of Public Roads
Washington 25, D. C.

Dear Mr. Royster:

Your letter of June 18 has been received transmitting the title sheet tracing and final P.S. and E. papers for George Washington Memorial Parkway Project 1A6, Bridge at West Round Roadway over Spout Run in Arlington County, Virginia, at Station 104/00, commonly referred to as the low level bridge over Spout Run.

The title sheet has been signed by the Acting Chief, Division of Design and Construction, and the undersigned, and is returned herewith in accordance with your request.

Funds for this work have been made available to this Service by the Central Intelligence Agency and advertisement for bids may proceed immediately.

Sincerely yours,

(SGD.) CONRAD L. WIRTH
Director
